- Play area design and build
- Play area refurbishment
- Landscaping
- Fencing and Signage
- Grounds maintenance
- Emergency maintenance service with 24/7 helpdesk
- Accredited play area inspections

# An introduction to **Playforce**

## Accreditations

It's important to know that your chosen supplier has all of the correct accreditations and complies to relevant standards. With Playforce, and the wider TCL Group, you can trust that we have everything covered.

With over 17 years' experience in developing and maintaining outdoor spaces for play, and since we began in 1998, we've grown from just five committed members of staff to a nationwide team of specialists – all passionate about creating outstanding outdoor spaces for all to enjoy. Now, as part of TCL Group, we're part of one of the fastest growing landscape services, estate management and play space service providers in the UK.

**However, what really stands Playforce apart is that we are the only company able to provide a complete outdoor service for parks and play areas. From the design and installation of new play areas or supply of equipment to refurbishments, landscaping, grounds maintenance and inspections, all of our services are delivered by directly employed teams. This also means that we can provide extremely competitive pricing, and consistently high quality delivery across all of our projects, nationwide. 🌱**

When it comes to play equipment, we have a number of exclusive ranges, only available through Playforce, as well as the ability to source specified items from other manufacturers, giving you the best of both worlds.

# A **one-stop-shop** for outdoor public spaces

1

## Design and installation

With over 17 years' experience in creating play installations for all shapes and sizes of outdoor space, Playforce is well placed to provide both an expert design service and in-house installation teams to bring your project to life. As part of TCL Group, we have access to a nationwide, directly-employed, DBS-checked installers, selected for their high levels of competency and professionalism.

## Equipment supply

Many of our equipment ranges are exclusive to Playforce, so if you would like to include our equipment but have your own installation teams, we're more than happy to supply equipment complete with full installation instructions. We'll also provide warranties on the equipment, provided it is installed and maintained in line with our recommendations.

## Refurbishment

We understand that when budgets are tight there are often smaller, necessary tasks to undertake, such as refurbishment and repair of existing equipment and tidying up of green spaces. Playforce can undertake a range of refurbishment work, helping you to stretch your budget further whilst adhering to the relevant health and safety standards for the ongoing safety of your outdoor spaces.

Some ways to make your budget go further could be:

- Re-painting
- Cleaning of existing surfaces
- Weeding
- Refresh of planting schemes
- Replacement of tower entrances, exits or panels
- Repairs to existing equipment
- Replenishment of loose fill surfaces
- Improving the aesthetics of playgrounds

## Landscaping, fencing and signage

From creating pathways and walls to fencing and drainage, our hard landscaping teams are experts in creating flexible spaces that require minimal maintenance. Add to this our planting schemes and surveys, and you can trust our teams are there to help ensure your park or playground can be enjoyed by the whole community.

4

**There are many good quality play providers in the UK, however we think there are a number unique things that make the Playforce service offer different to the rest.**

*With playground design and installation, refurbishment, grounds maintenance, landscaping and inspections, we're the only UK supplier to offer a complete outdoor service for public spaces.*

5

## Grounds Maintenance

Our expert teams can provide planned grounds maintenance services for outdoor spaces, from grass cutting to tree surgery, drain clearance to winter maintenance. We also offer a 24/7 helpline for any emergencies such as broken gates and fallen trees.

## Inspections

Our RPII-certified team of playground inspectors are able to provide post-installation, and routine inspections, complete with full report and recommendations. Should your equipment need any repairs, we can do that too!

6

# Six reasons to choose **Playforce**

There are many good quality play providers in the UK, however we think there are a number unique things that make the Playforce service offer different to the rest.

When it comes to play equipment, we have a number of exclusive ranges, only available through Playforce, as well as the ability to source specified items from other ranges, giving you the best of both worlds.

## Competitive Pricing

Thanks to our directly-employed workforce, and in-house design expertise, we cut out the middle man and can therefore provide you with extremely competitive pricing, whether you're spending £1,000 or £100,000. By avoiding 'margin on margin', we're confident we can provide excellent value for money whilst maintaining the high quality of delivery you would expect from Playforce. 🙌

## In-house installation teams

With over 700 colleagues nationwide, we have a directly employed network of expert installation teams in all corners of the UK. This is coupled with professional project management to ensure high quality workmanship and consistency of delivery. 🙌

## Industry Leading

Rated first in the play sector for quality and customer service, we're proud to be one of the UK's leading suppliers. Our unique one-stop-shop service is just one example of our commitment to making sure we provide the very best range of services for our customers. 🙌

# 4

## Varied Product range

Playforce has a number of exclusive agreements with leading playground equipment manufacturers, in-house designed items and the ability to source from a range of other suppliers. This means that whatever your requirement, we're well placed to offer you exactly the equipment you require. A selection of our range is shown on the following pages, however please contact us on 0330 041 2116 or email [parks@playforce.co.uk](mailto:parks@playforce.co.uk) and we'd be happy to provide more information and pricing. 🐾

# 6

## Maintenance and Guarantees

We know that with any outdoor space development you want to make sure that the ongoing costs of maintenance and the need to source spare parts are kept to a minimum. That's why we provide warranties on both our equipment and the workmanship involved in installing it, and each of our completed schemes finishes with a handover document containing our recommendations for ongoing maintenance. 🐾

# 5

## Experience

Having installed thousands of playgrounds across the UK for children of all ages, you can trust that our teams of experts know what they are doing. From ensuring that we provide engaging spaces for all ages and abilities to designing areas that require minimal maintenance and exceed all relevant standards for safety, we're passionate about bringing outdoor spaces to life. 🐾

# Towers

To find out how Playforce can help with your project, call 0330 041 2116.

# Trails and Climbing

The view is great up here...

From entry-level towers for young children to large structures with real 'wow factor', quirky robinia and pressure-treated timber structures, we have a wide range of towers to suit all age groups. Here are just a selection of images to give you an idea of what we can offer. 🙌

Who's up for a challenge?

Active play is a must for children of all ages and abilities, especially in areas where access to outdoor space is a luxury. Our range of trim trails and climbing structures is sure to inspire physical activity for all the family. 🙌

## Traditional playground equipment

Spinning, swinging, springing, what fun...

Every playground needs a good selection of traditional items such as swings, see-saws, roundabouts and fun springers. Our range provides a wide choice of options, and here is just a selection of these. 🐾

To find out how Playforce can help with your project, call 0330 041 2116.

## MUGAs and Sport

Some friends and a ball, happy days...

From full-sized sports courts to child-friendly timber games spaces and outdoor gym equipment, we have everything you might need to create a sports area to suit your local community. 🐾

Journey to wherever their imagination takes them...

## Creative and inclusive play

For something more unique for your outdoor space, or to link your playground to the local environment and history, we have it covered! Here are just a few examples and ideas to get your creative juices flowing! 🖐️

## Playtime for the senses...

Sensory spaces, complete with musical equipment, colours and textures, are fantastic for all the family to enjoy. In particular, these areas are often also suited to members of the community with disabilities. To find out about our range of inclusive equipment, please get in touch. 🖐️

## Imaginative and Sculptural

To find out how Playforce can help with your project, call 0330 041 2116.

To find out how Playforce can help with your project, call 0330 041 2116.

## Landscaping, Planting and Surfacing

### Defining boundaries...

Often overlooked, but one of the most important parts of a great outdoor space, our range of metal and timber fencing, benches, bins and signage can help to ensure your play areas and public spaces are safe and enjoyable for all. 🐾

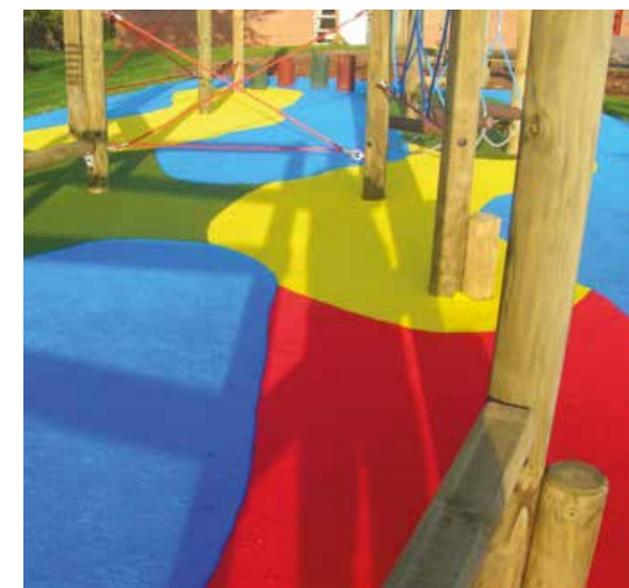

### Fencing, Signage and Furniture

### Having fun has never looked so good...

With professional landscape architects and qualified teams across the country, we can undertake both hard and soft landscaping projects and planting schemes. We also provide a wide range of surfacing options and line markings, from safety surfacing around playground equipment to pathways, loose fill materials and macadam. 🐾

# Warrantees and aftersales

We believe in **excellent customer service** and support throughout the life of any outdoor space or play installation. That's why, whether you need spare parts, inspections, repair work or even just advice, we're always on the end of the phone. We also have an in-house team of RPII-certified inspectors.

Our play equipment also comes complete with **extensive warrantees of up to 30 years**, giving you piece of mind that your investment will continue to be enjoyed by the community for years to come.

Don't forget, should you have a play area in need of a refresh, you might be able to make your budget stretch a bit further by considering a refurbishment rather than simply replacing all of the equipment.
